Dear Pat:

I received your letter on behalf of Allen Moore for the FCC spot.

I very much appreciate your taking the time to put a word in on his behalf. We are getting very close to a final decision and it is very important to me to have your views.

On another subject, I can't thank you enough for all of your help on the N.A.A.C.P. speech. It turned out exceptionally well. As you are aware, we were sweating a little on this one. But with your help we survived unscathed.

I miss having you right next door.

Thank you very very much.

Dear Lloyd:

Thank you for your letter of June 19 regarding the Toshiba-Kongsberg affair. I am aware that the case has had tremendous press play in Norway. Our Ambassador to Norway, Bob Stuart, is in daily contact with us. The case has been front page news here as well.

The Administration continues to believe that mandatory sanctions and financial compensation are inappropriate. We have raised the case at the highest levels in both the Norwegian and Japanese governments. We encouraged them to punish the diverters in this case, and to enact tough new laws which will increase the risks for future diverters. At present, we are not looking at any type of reimbursement scheme.

I am sure you know that the Senate and the House have both passed legislation regarding the Toshiba-Kongsberg matter. This diversion was a serious one, as the level of concern on the Hill reflects. I hope that cooler heads prevail; and that we arrive at a resolution that reflects everyone's best interests.

Sincerely,

Howard H. Baker, Jr.

Dear Mrs. Lohman:

Thank you for your June 10 letter requesting a Presidential signing pen for display with a copy of Public Law 98-561, which granted a Federal Charter to the National Society Daughters of the American Colonists.

I can understand your interest in receiving one of the ceremonial signing pens, and I sincerely appreciate your strong vote of confidence. I regret, however, that the Presidential signing pens are reserved for Members of Congress or for those who have played an important role in the passage of the legislation. Because it would be unfair to the many others who have made similar requests, I am reluctant to make exceptions to this policy. I trust you will understand.

Thank you again for your support. Please accept my warm best wishes.
